

Terms and conditions of booking DJ Yorkshire

BY PAYING THE DEPOSIT YOU AGREE TO THE TERMS AND CONDITIONS BELOW

1. Payment should be made in full, in advance of the performance date.

I will email you an invoice in due course.

Should payment be not made as per these terms DJ Yorkshire reserves the right not perform their services until payment is forthcoming. In this instance the full amount of the contract monies would still be due under the contract.

2. In the event of the performance being cancelled or postponed DJ Yorkshire retains the deposit paid by the client(s). If the venue is changed, or the date, I will honour the deposit.

The fee may go up for any additional travelling or accommodation costs incurred as a result of the change.

3. DJ Yorkshire provides Public Liability cover. A copy of the policy schedule can be provided on request. The amount covered is up to 5 million GB pounds.

4. In all areas of the performance DJ Yorkshire undertakes to act with professionalism and courtesy towards the clients, the venue and the clients' guests. I request that the clients ensure that their guests extend the same courtesy to me on the night. The clients indemnify DJ Yorkshire for any theft of, or damage to DJ or computer equipment caused by the actions of guests at the event, should this not be covered by my insurance.

5. Set up and performance times should be confirmed by email or via the music planner at least 14 days in advance of the performance. I understand that flexibility is often required with timings and I will endeavour to work to ensure the smooth running of the event wherever possible. Unless specified in the booking the set up time will be one hour before commencement of the DJ performance. Additional charges may be made for early set up, based upon location and time. This should be negotiated in advance where possible.

6. Should the DJ be requested to play for additional time outside the contracted hours the rate is £50 per hour. This should be paid on the night.
